HUMANITY FIRST

2022 AT A GLANCE

Restoring Communities • Building a Future

WATER FOR LIFE

Clean drinking water is inaccessible to over 2 billion people worldwide. Humanity First provides long-term solutions by providing clean drinking water via water wells, hand pumps, boreholes and filtration systems.

123 450
beneficiaries

80 water wells installed

- Chad 30
- Cameroon 30
- Senegal 20

Chad 2 electric bore holes installed

1 reverse osmosis system installed

SERVING

MANKIND

ORPHAN CARE

Children around the world are left orphaned due to several reasons, such as war, disease or natural disaster. Humanity First's Orphan Care program supports orphaned children by providing them a safe and healthy upbringing.

127 children cared for

-  Cameroon **87**
-  Congo Brazzaville **20**
-  Nigeria **20**

REFUGEE RESETTLEMENT

Forced displacement creates many challenges for affected families. Humanity First sponsors refugees and helps with their resettlement in Canada by providing accommodation, food support, training for employment, and other guidance.

163 total people resettled

53 families resettled

Newcomer sessions held throughout year

DISASTER RELIEF

Humanity First provides emergency relief to victims of natural disasters to minimize their suffering and material losses. Humanity First also runs emergency medical camps in affected areas.
